EXPERIENCE

Code Buzz, Remote — Cyber Security Lead, Contributor

November 2023 - December 2023

Collaborated with 13 other programmers. Led 3 programmers in discussing cyber security needs. Created an SQL Injection Scanner.

FREElance Work, Remote — Web Developer, Programmer, UX Designer

March 2021 - April 2023

Created websites and collaborated on several projects that lasted through graduation from Full Stack Web Development with Lambda School. It is “FREElance” because I did everything for free.

Lambda School Projects, Remote — Student

June 2020 - March 2021

Created and collaborated with many on several websites, whether it was UX Design or web development (front-end and back-end).

EDUCATION

Masterschool, Remote — Cyber Security (Cyber Security Analyst program)

May 2023 - May 2024

Cyber security bootcamp

Lambda School (now, Bloomtech), Remote — Full Stack Web Development, UX Design

June 2020 - March 2024

UX Design and Full Stack Web Development bootcamp

BIOLA University, La Mirada, CA — BS in Nursing

August 1996 - May 2001

After graduation, I worked as an ER nurse, , PACU nurse, Charge Nurse, Critical Care Transport Nurse, and a director for American Heart Association.
